First Rally on steps of new Auditorium, 1950.

OLLA POD

BERKELEY HIGH SCHOOL

BERKELEY, CALIFORNIA
A HALF CENTURY OF GROWTH

RIDA

SPRING 1950

THEN and NOW

ELWIN LE TENDRE
Principal

Fifty years ago the Pod came out with a colored cover page.

In looking through the 1900 Pod, I was interested to note that all boys came to school wearing suits, including vests. I also note that the boys seldom, if ever, walked around the grounds without wearing their hats. The boys wore the high linen collars; once in a while they were made of celluloid, because they were easier to clean.

You could rent a full dress suit for \$2.50, and you could buy a tailored suit of clothes for \$20.00. A good pair of shoes cost \$3.50, and with each pair you bought, 20 free shines were given.

The girls were dressed in the usual style with long dresses, "swing" skirts, and blouses. Girls wore their "hair-do's" high on their heads.

Most members of the track team parted their hair in the middle, and the football team was a short, stocky, rugged-looking group.

The football game at Napa that year was interesting because there were many horses and buggies parked on the side lines, and every time the ball was punted it scared the horses. This added to the enjoyment of the crowd.

Although there were 83 members in the graduating class, it was decided not to put student pictures in the Pod. Ads were inserted instead. This made a cheaper and thicker book.

* * * * *

Things have changed, and as one looks through this book today, one would probably say, "My, how old-fashioned and out-of-date they were in 1900!" Be careful, however, of your criticism of the oldtimers. In the year 2,000, YOU will be one of the oldtimers, and when they look through your Pod, the 1950 book of today, can you imagine what they will say!

"TIME MARCHES ON!"

Elwin LeTendre, Principal.

PETE WALKER
Editor Olla Podrida

THEN and NOW

It is hard for us, who have been on this earth a mere eighteen years, to visualize the immense growth of our Alma Mater in the last fifty years. In 1900 Berkeley High School was but one small building surrounded by dirt roads and pastures. Look around you today. Now we have a magnificent campus complete with modern Science and Vocational building, Academic building, Biedenbach Field, Gymnasium with swimming pools, Memorial Court, and now the gigantic new two and one-half million dollar Auditorium. The high school site and the whole of Berkeley have changed tremendously. Modern conveniences of every description are at every hand. Our teachers and parents have seen many of these changes, but for us it is hard to visualize a world without present-day facilities.

This year's Pod is, we hope, not only a lasting memory of three memorable years at high school, but also a documentary of these huge changes. We of the Pod staff believe you will find this progress both startling and interesting. Many of us will see the close of this century. If at that time the people of the world can show as much progress in the second half of the century as has been accomplished in the first we are sure the earth will be a most wonderful place on which to live. If peace can be obtained, if many of the horrible diseases can be conquered, and if all peoples may become equal freedom-sharing partners, then it will truly be a most fruitful half century. To this hope we dedicate this Olla Podrida of Nineteen Hundred and Fifty.

Pete Walker.

government

A new era is started at Berkeley High. We have now a very well equipped school and I am thankful to the people of Berkeley for their concern for us.

With events such as the band assembly, the Block "B" and G.A. dances, and "Fun Night," we have been kept very busy. I never can hope to have a more enjoyable experience than that I have had these past months serving you as your president. I would like to thank the members of the B.O.C. for the work they did putting over every phase of our student activities. I thank the students and the faculty for their support of our projects.

I am looking forward to seeing Berkeley High's high standards maintained and even improved throughout the coming years and, with the prestige acquired with the new auditorium, I am sure your fame will spread over the entire country. Goodbye and good luck to all of you.

Pete Dolliver,
A.S.B.H.S. President.

SPEAKERS BUREAU

The Speakers' Bureau, under the sponsorship of Mrs. Kathryn Livingston, Chairman of the Speech Department, gave its major consideration of the term to the Red Cross Drive. Working closely with the city's Red Cross headquarters, speakers addressed community groups—service clubs, church organizations and P.T.A. meetings. Speakers included were: Virginia Ballou, Lucie Brandon, Bill Clemens, David Creech, Roger Gartland, Ronald Goulart, Marilyn Mauch, Joyce Reynolds, Bill Somerville, Santilia Steven and Bruce Weber.

Representatives to the American Legion in their Democracy Programs were John Berry, Nick Farnham, Ursula Goldschmidt and Marilyn Mauch.

Honor guests at the Rotary Club Vocation luncheon were Dick Cross, Don Hay, Cecil Hunt, John Berry, Bill Clemens and Nick Farnham.

In charge of the P.T.A. Character Education meeting held March 14 in the Little Theatre were Barbara Simkin, chairman, Bob Vaughn, Lynn Ferguson, Lynn McElravy, Beaver Nash, Santilia Steven, Ronald Goulart, Ursula Goldschmidt, Bill Clemens and Virginia Ballou.

The annual Public Schools Week program held in the Little Theatre on April 19 was presided over by Pete Dolliver, student body president, and Bob Albo, Senior Class president.

The most important of the school projects was the Pod Drive to which all members of the bureau offered their services.

In the list of Public Speaking Contests, the results of which will not be available before the Pod goes to press, the following have been chosen to represent the school: John Reed, Post-Enquirer; Garfield Byrd and Santilia Steven, Negro Elks; Cecil Hunt, Native Sons; and Nick Farnham, Lions Club.

GIRLS' ASSOCIATION

The activities of the Girls' Association for the Spring term of 1950 were patterned upon our motto "Friendship and Service." The traditional Welcoming Party for the low ten girls and the new girls began the term with an activity listed under "Friendship." Other activities also listed under "Friendship" were the "Cinderella and Prince Charming Ball," the G.A. Assembly, and the Senior Farewell. Under "Service," the Girls' Association carried on a successful drive to collect dresses for the Needlework Guild to distribute to the needy children of our community. Each home room donated a dress to this project.

Without the enthusiasm and coöperation of the girls at Berkeley High these activities would never have been successful. Throughout the entire term the girls were eager and willing to help whenever asked. When needed you were ready to serve on committees, to give entertainment, to make bids, or to decorate for the various affairs, and you always came through with a job well done.

It has been the greatest pleasure and privilege to have served you this term, and along with the help, interest and coöperation of my hard-working fellow officers, Fran, Doris, B. J., Ruthie, and Hannah, I've enjoyed planning and carrying out my responsibilities to you.

Miss Kinell has been one hundred per cent coöperative and we greatly appreciate her spirit and guidance.

Goodbye, girls! I'll always treasure the honor you bestowed upon me. It's been a wonderful six months.

Very sincerely,
Nancy Robinson,
Girls' Association President.

RALLY COMMITTEE

This year's Rally Committee has worked hard to live up to the high standards of the past rally committees. We have worked hard in trying to keep the slope as clean as possible and have received a lot of cooperation in doing so.

We also sold cokes at all the school dances and Fun Night. This is our only means of income which accounts for our dinner at the end of the term.

I have really enjoyed serving as Rally Committee Chairman and I don't know what I would have done if it were not for my assistants, Don Hay and Ed Carlisle, and also the help of Mr. Nealson.

Thanks for your swell cooperation and best of luck in the future.

Bernard Scapparo,
Rally Committee Chairman.

SENIOR FRIENDS

The Spring Term of 1950 will long be remembered by the twenty girls on the Senior Friends Committee. The name "Senior Friends" has been a standard we have tried during our last semester to uphold.

Our activities have been varied throughout the term. We ushered at the last graduation and our own Senior Play. The main responsibility of the committee is to help the new girls find friends and enter into school activities. We also supervise the cafeteria during lunch periods. Among our other activities were serving at the G.A. reception and at the P.T.A. dinner, collecting Red Cross donations at the assemblies. Our booth at Fun Night was a high success and last, but not least, ushering at the opening of the new auditorium was our crowning achievement.

My thanks to our sponsor, Miss Helen Kinell, and the wonderful girls on the committee for all their coöperation and enthusiasm. It has been a privilege and honor to serve as chairman of this committee.

Ginnie Hovey.

Special Privilege Students.

Seal Bearers.

C S F

The California Scholarship Federation works to encourage a higher standard of scholarship and fuller participation in school activities.

The Berkeley High School chapter should be proud of its record in making the C.S.F. motto, "Scholarship for Service," a reality this term.

The activities of the chapter have been varied in nature, ranging from tours through various local industries to hat checking at the Little Theatre and coaching handicapped students.

This term our membership is made up of 152 students who exemplify the highest academic records in the school. These students can be found participating not only in C.S.F. activities but also found taking active part in school government, athletics, music and drama.

To the members of my Executive Board and to Mr. Flanders, the faculty sponsor, I must give my thanks for the time and energy they have given this semester. It has been a privilege working with you this term and I know C.S.F. will continue to grow in the future years.

Bill Clemens.

BILL CLEMENS
President

Special Privilege Sealbearers

The purpose of the Berkeley High Honor Society is to encourage and to recognize high standards of scholarship. "Honor student" isn't necessarily synonymous with "brain" or "bookworm"; members of the Honor Society are hard-working students, taking an interest in student activities.

With 189 students in the Honor Society, opportunities for group activities are numerous. Holding a semi-annual picnic, taking industrial and educational trips, operating a Fun Night concession, checking hats in the Little Theatre, and serving on the election board are just a few of our many activities.

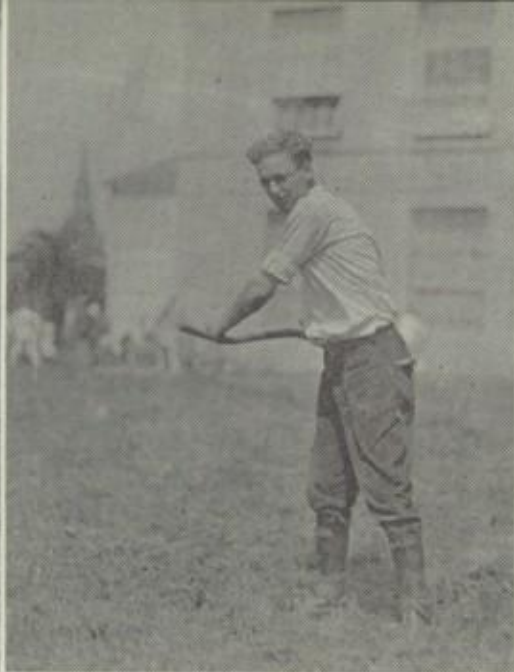

I wish to express my thanks to our sponsor, Mr. Flanders, and to the other officers, Bill Clemens, Betty Pratt, Kay Russell, and Frank Patty. It has been a pleasure to serve as president of such a fine organization.

John Berry, President,
Berkeley High Honor Society.

IN
ACTION

BAND

Under the direction of Mr. Morton our band ended up with a highly successful season. Our engagements included a musical program for the annual Red Cross Drive and Pod, another band concert with Burbank, Garfield, and Willard. Next we journeyed to San Jose where we got an "A" rating, then we played at a Junior Traffic Parade and finally ended up playing at a band concert at Tilden Park.

Our band has worked hard and I know we

performed well, even though we didn't look well with our old 1928 capes and caps. However, in the future we hope that the school will equip us with some new "uniforms." We shall appreciate it.

Bernie Scapparo, President.
Yosh Katsura, Sec.-Treasurer.
Peter Raynolds, V.-President.
Margy Liechti, Librarian.

ORCHESTRA

The B.H.S. orchestra, under the direction of Mr. Earl Morton, is composed of 45 members. It is open to anyone who plays a musical instrument well.

This semester the orchestra combined with the other musical organizations of the school to put on the operetta, "The Fortune Teller," for the opening of the new auditorium. They also con-

tributed outstanding performances at the senior play and graduation.

Next semester the orchestra, along with the band, hopes to move into its new practice facilities in the rear of the new auditorium.

Frank Patty, President.
Nathalie Snow, Secretary.

A CAPPELLA CHOIR

This spring term the A Cappella Choir instituted a new tradition—a formal initiation for the new members. This initiation will take place at the beginning of every term from now on.

The choir is made up of 80 mixed voices, under the direction of Miss Margaret Cartwright.

The spring 1950 activities of A Cappella included a program for Public Schools Week, appearances in church services, and a program for a Kiwanis luncheon. The choir's activities will terminate with a part in the program of the first graduation in the new auditorium.

The big social event of the term for the A Cappella was the picnic and swimming party held in the latter part of May.

athletics

BLOCK "B"

Because all of the Block "B" members helped so enthusiastically, our dance, the Shamrock Shuffle, was a complete sell-out. The proceeds from the dance finances the annual Block "B" banquet held every spring.

We have gained members through basketball and as this picture was taken early we hope to extend our membership even further with the coming awards given for spring sports.

As I look back over this term I feel extremely fortunate to have had such able co-workers as Bob Albo, vice-president; Bill Rogin, treasurer; Frank Alessandro, secretary; Wally Jackson, sergeant-at-arms; and Mr. Nealson, the sponsor of the Block "B."

Roger Gartland,
Block "B" President.

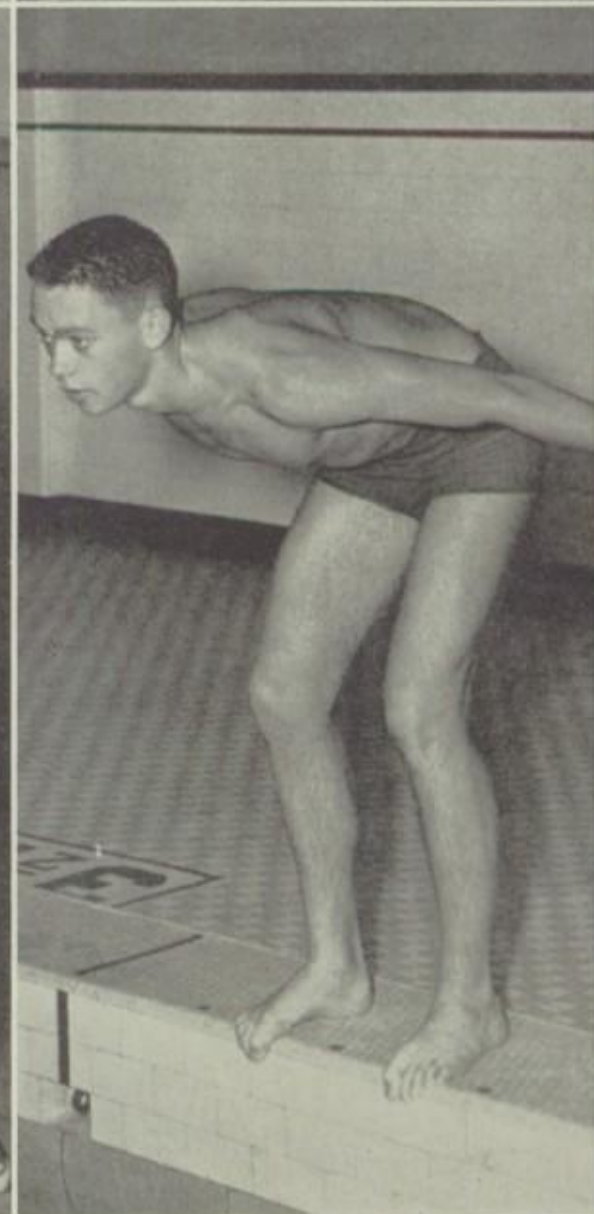

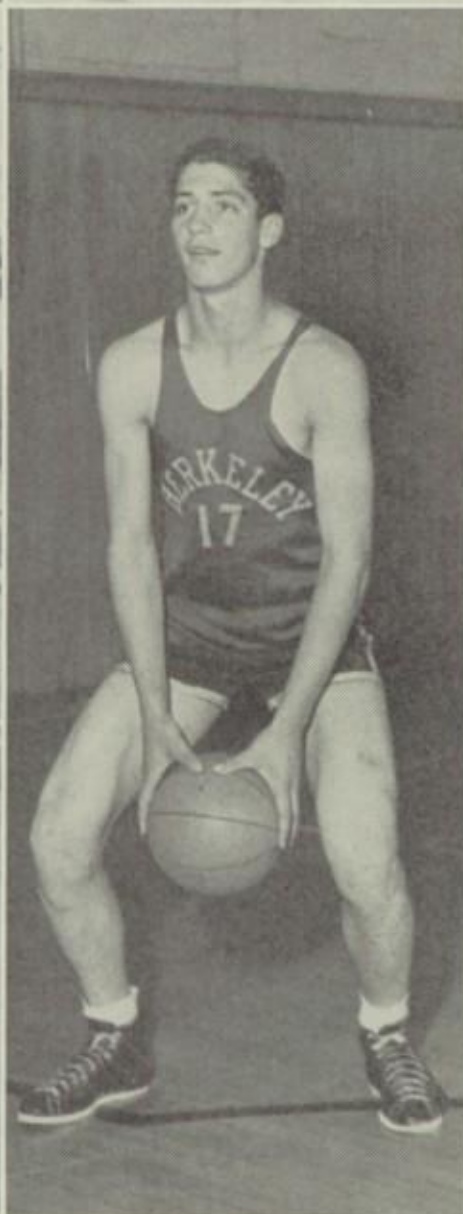

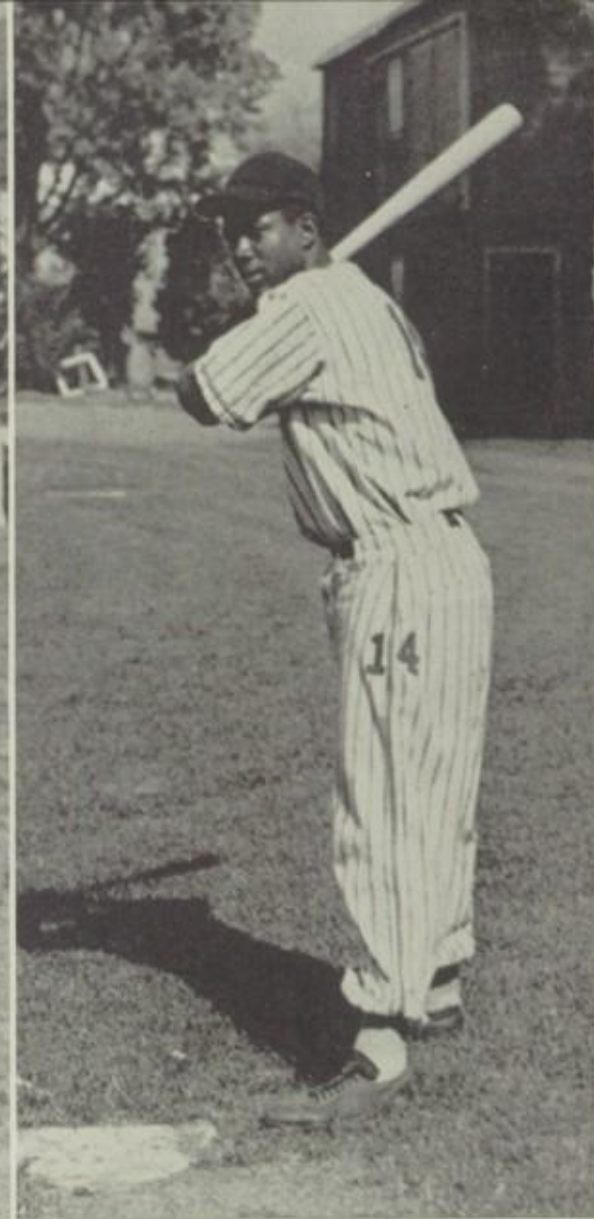

CIRCLE "B"

The old adage "Good things come in little packages" holds true to the Circle "B" Society. Although comparatively smaller than their brothers in the Block "B," the members have made up in spirit what they lacked in stature. All hands joined to make our booth at Fun Night a success, and our annual picnic-dinner was fun as well as appetizing.

Through the spring sports—basketball, track, and swimming—we have acquired a considerable number of new members.

The term has been successful because of the interest shown by all members, new and old, and especially my officers: Frank Patty, vice-president; Bill Needham, treasurer; and Ken Hoh, secretary. I give them, and Mr. Jack McFarland, our sponsor, who was always present with wise and helpful advice, my whole-hearted thanks.

Bill Wong,
President.

BASEBALL

In a team that was termed by observers as a "good pitch, no hit," the Berkeley High Yellowjacket baseball team opened drills this spring with the firm determination of bettering last year's season mark which found the Jackets occupying the cellar of the Alameda County Athletic League.

On paper the Jackets had all the indications needed to give them a good year. In the pitching staff Coach George Wilson had back a veteran crew. Led by Frank Alessandro, who is one of the best prospects this school or region has seen in many a moon. Captain Eneree Malone and curve baller Benny Vasquez rounded out the experienced hands. Bill Rogin and Marv Haaland back up the starters as the "firemen." The pitchers would be handled by vet Bob Albo and the promising sophomore, Bill Fogliati.

Louie Richardson and Ed McDonald were back at first, as was Butch Storm at second.

Smooth fielding Don Martin completed the keystone combination and either Vasquez or Malone at third, depending on who's pitching.

The outfield would be capably guarded by Dave Torres, Don Musto, Bernie Scapparo, Emmet Neal and Russ Blythe.

By way of comparison with other teams, Berkeley rated right at the top along with Richmond and El Cerrito.

BASKETBALL

VARSITY

Last winter Berkeley High was represented by an erratic basketball squad. The cagers had a successful practice season, in which they whipped all San Francisco foes, and gave the Cal Frosh one of their best games of the season. In A.C.A.L. competition the basketballers finished about even, but, however, were rather erratic, beating the second place team and then losing to the cellar quintet in the same week. Coach Jack Eadie's squad was led by Bill Rogin who finished among the top five ace scorers, and Bob Albo, ace rebounder, two outstanding seniors, who acted as team leaders.

BEES

The 1949-50 edition of the Berkeley Bee's was one of the best examples of a "fighting ball club" that Coach Elgin Erickson has ever had. But they also turned out to be a very "hot-cold" team.

Time and time again the Jackettes came from behind to stem the tide, but when the chips were down they did not seem to have it. A good example of this was when Berkeley met Richmond in one of the decisive games and were turned back when the pressure was really on.

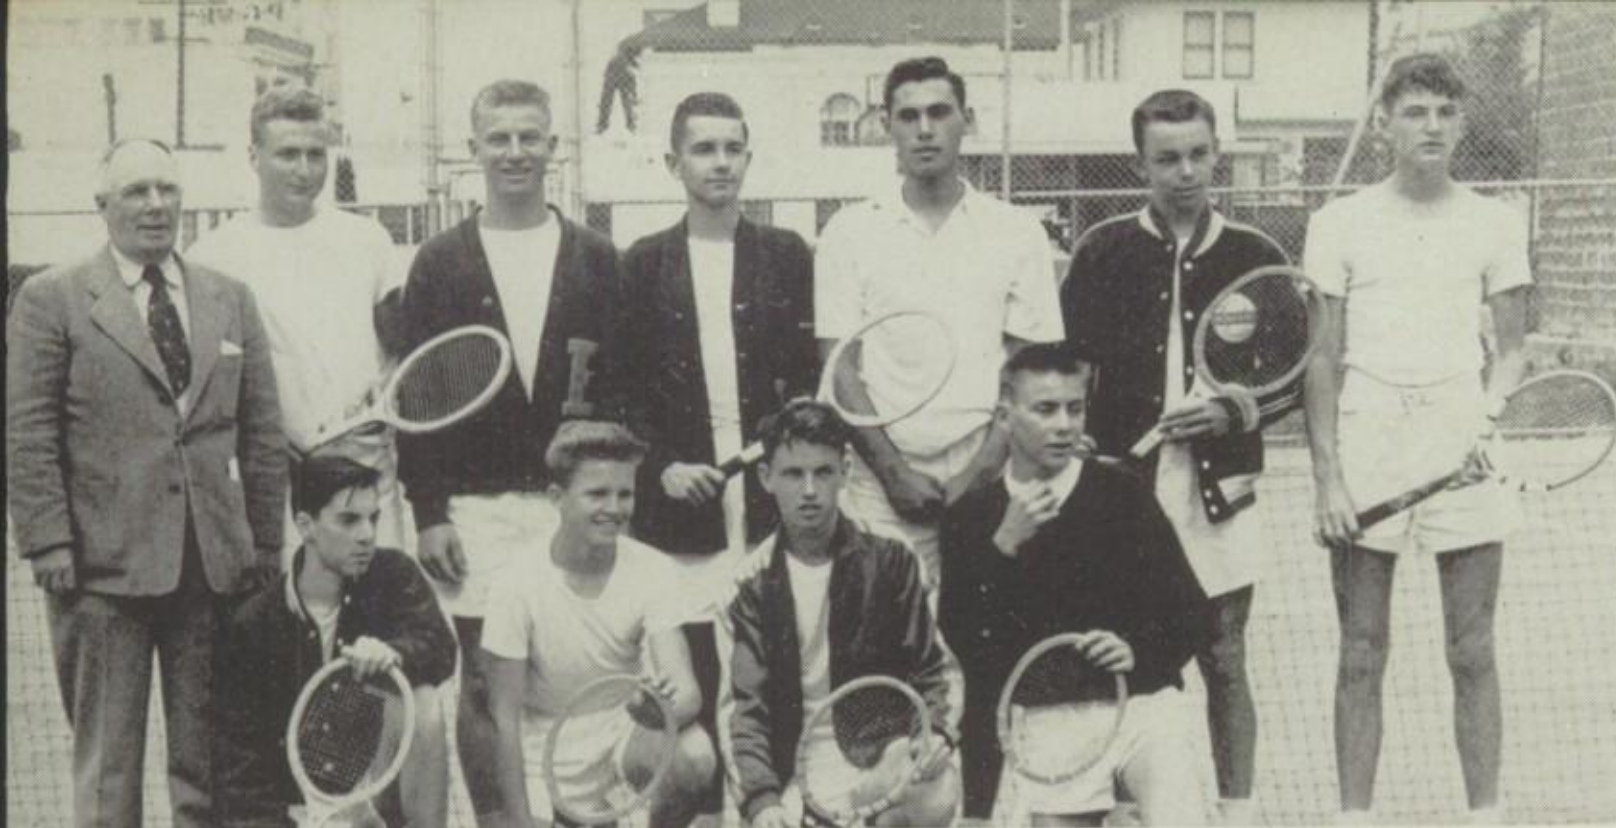

Forwards Bill Bryant and Al Ferreira, Center Marv West, and Guards Pete Walker, and Bill Wong who made All-County, comprised the starting team at the end of the season.

TENNIS

This is the sixth consecutive year that Coach Jack Eadie's tennis team has walked away with the A.C.A.L. crown.

The Jackets swarmed all over prep competition, winning all the school matches and losing to only two men in the individual games. The only loss was to the Cal Frosh who are stocked to the brim with ex-Berkeley talent, anyway.

Coach Eadie's singles team consisted of Cliff Mayne, No. 1; Stan Cantor, No. 2; Pete Dolliver, No. 3; Ronnie Woods, No. 4; and Pete Long, No. 5. Ralph Henkle and Allan Humphrey team up to form the top doubles team and John Fitzgibbon and Don Aulters pair off in the number two team.

GOLF

Again dominating the A.C.A.L. golf circuit the Berkeley men were pushed only by the Richmond Oilers as they duplicated last year's win.

Led by dynamic Dave Moffett, who constantly pushed the low seventies, the Jackets were off and running at the gun. In Moffett, the Jackets had one of the most consistent and most promising golfers since Gordon Wilks carried the B.H.S. colors.

This year also featured a brother act, number two man Jerry and number four man Mike Hyde, with Leon Gustafson sandwiched in between them as the third man. Bruce Richardson rounded out the five-man team.

TRACK

VARSITY

This year the track team was a foundation on which to build better teams in the future. Conditioning came extremely late because of construction of a clay track and jumping pits.

With only four returning lettermen, Berkeley won two dual meets and lost four. McClymonds and Technical High gained pre-season victories over the Jacket Thinclads while Piedmont and Richmond gained the upper hand in the league meets. Only Hayward and Alameda were defeated.

Outstanding men this year are: Wally Jackson, discus thrower; Willie Katka, miler; Denny Garrett and Bon Keasby, 880 men; and team captain Phil Greenwood, broadjumping.

BEEES

Going into the A.C.A.L. meet, Coach Emil Lamar's Bee track team stands a fine chance of capturing the league crown. They have done well in dual meets and have staved off all opposition except Richmond.

Individual standouts on the team are Wally Lee, high-speed sprinter; Launder Roy and Ken Hoh, 330-yard run; Doug Crowthers in the low hurdles, and Tom Pecot in the pole vault and broad jump. Jim Corley stands out in the high jump and Don Maffley and Emery Curtice take top distance honors.

Thanks are gratefully extended to Mr. Pierce who helped out in coaching.

VARSITY

BEEES

VARSITY

BEEES

SWIMMING

An abundance of talent has made the Berkeley High swim team a tough squad to beat. The only team able to accomplish this feat was Palo Alto High who won in a close meet by only a few points. Berkeley's chances in the North Coast meet this year are excellent.

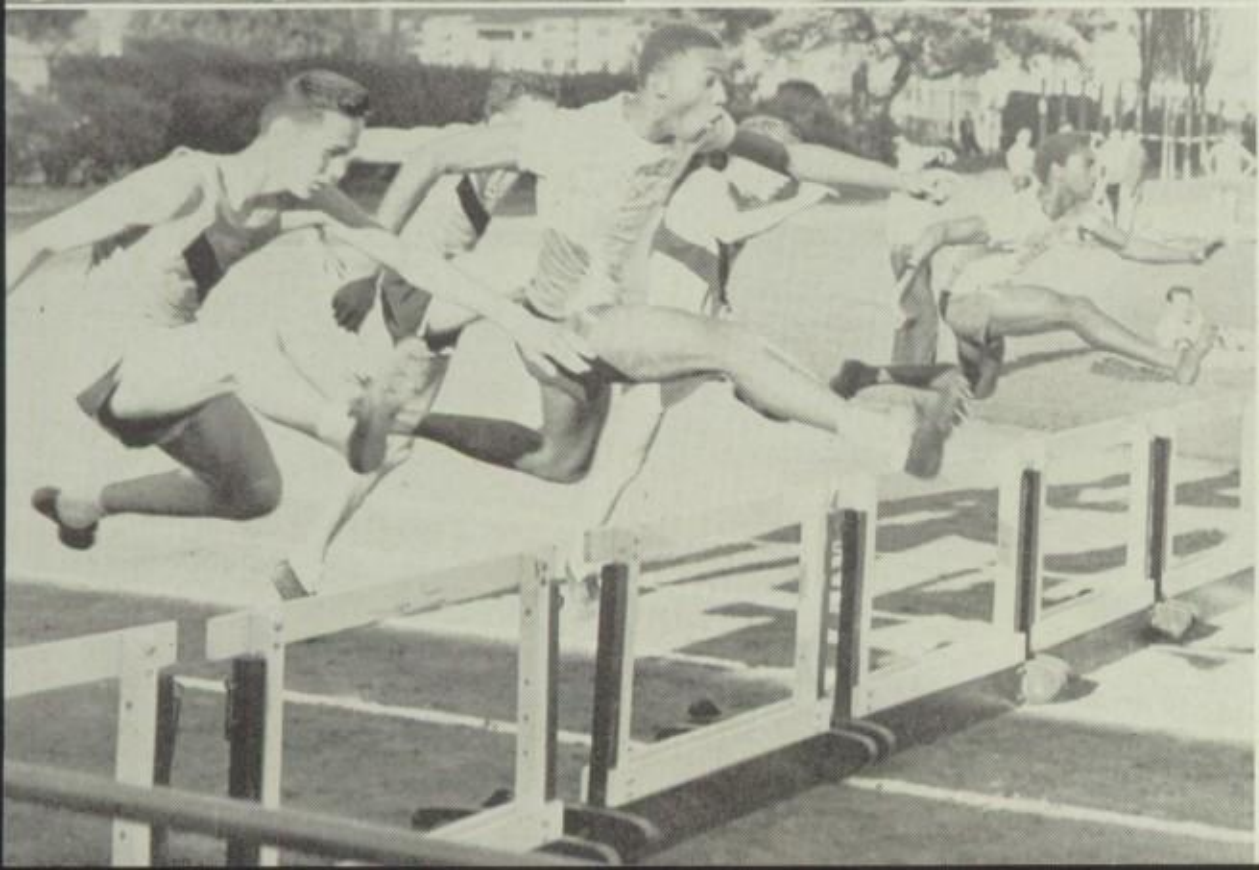

Standouts on the swimming team are Jerry Hays, holder of the North Coast section record in the individual medley relay team breaststroke.

Doug Penrose in the 100-yard freestyle, Spike Conley, 50-yard freestyle, John Layser in the 200-yard freestyle, Jeff Foley, 100-yard backstroke, Bob Marshall and Don Hay, diving.

The Bee swimming team turned in excellent performances this year and had many outstanding men who should greatly help the varsity next year. The Bees won all their meets and should stand an excellent chance of taking the North Coast Section meet.

Dave Ruegg consistently captured the 100-yard breaststroke and Karl Marhenke was first man in the 50-yard freestyle. Bill Buckley turned in consistently fast performances and Benny Elkus would occasionally come up with a win in the 100-yard freestyle.

Yosh Katsura's diving was also a feature attraction on the Berkeley team.

GIRLS' ATHLETIC ASSOCIATION

This semester, the Girls' Athletic Association began its activities by welcoming the new girls in the G.A. program. On April 20th, Berkeley played hostess for our huge five school-playday organization, and on the evenings of April 27th and 28th, another traditionally successful Aqua Antics Show was completed . . . Saturday morning, of the following week, girls were yawning, happily recovering from the slumber party! An entirely new club—folk dancing, was launched, resulting in large turnouts after school, and on Fun Night, our nail-pounding concession proved to be an ego-builder . . . All too soon, upon looking back on the term, it seemed only a brief period when the council, again, held the final meeting for elections.

Sincere thanks go to everyone of you for making this semester a G.A.A. success—to the B.O.C., to our officers: Barbara Wong, vice-president; Pat Jacobberger and Joyce Conklin, secretaries; Marilyn Morrison, treasurer; Fran Russell, Jacket publicity, to the council, and to every member for your coöperation in making all the activities possible. Special thanks is extended to our G.A.A. sponsor, Miss Entz, and to all our club sponsors.

I know I will never forget this term, and thank you for the honor of representing you. Let us hope that the G.A.A. will continue to be active in their outstanding sports.

Hannah Lowe,
President.
